Day 1 — 1 : JOHANNESBURG - VILANCULOS - 1.5 hours riding

Sea Horse Beach House

After your flight from Johannesburg to Vilanculos (not included but are happy to advise you on the best options) you are met at Vilanculos Airport by either Pat or Mandy Retzlaff, your hosts and guides. After a short transfer from the airport, you are settled into your accommodation. Later in the afternoon you will have an opportunity to meet the horses and staff at the stables. You will be presented with a number of horses to try in the riding school. Once you feel comfortable, you will head out onto the beach for a slow and relaxing ride, allowing you to become familiar with your horse and equipment. In the evening a fresh seafood dinner will be served under the stars overlooking the sea.

IMPORTANT: the following itinerary is just an example - the actual itinerary is flexible and will depend on your preferences.

Day 2 — 2 : BUSH AND BEACH RIDE - 3-4 hours riding

Sea Horse Beach House

After a hearty breakfast served at your hotel, head out on horseback along a route which follows the old coastal main road running parallel to the beach before meandering up and wading across a small river estuary. Along the route you pass through small rural villages where young children will come to wave at the horses. As the local population thins out there are long safe canters through coastal bush. After several hours in the saddle, a bush track

through woodlands leads down onto the beach with amazing views over the bay. The long, deserted, sandy beaches offer a chance to experience dream-like canter on your way back to the stables. After a long day in the saddle, there is a chance for sundowners and a fine dinner at a local restaurant.

Day 3 — 3 : RED DUNES - 3-4 hours riding

 Sea Horse Beach House

After a delicious breakfast you are driven over to the stables before mounting up and setting off on an exhilarating ride through the outskirts of town and along deserted sandy beaches to the Red Dunes on North Beach. There are ample opportunities for controlled canter on the wide open beaches before climbing the giant red coastal dunes. The panoramic views of the white sandbars and turquoise seas below are spectacular and one of the special highlights of this holiday. Lunch will be served at a gorgeous beachside restaurant overflowing with seafood specialties. After lunch you will stop at an arts and crafts centre that supports the local community. Relax by the pool in the late afternoon or take a stroll on the beach. Dinner will be served in tranquil settings.

Day 4 — 4 : BENGUERRA ISLAND - 3 hours riding

 Sea Horse Beach House

Depending on tides you may have an early start from your hotel on a motorized dhow which whisks you through the Bazaruto National Park to Benguerra Island. A packed breakfast is served on board while you take in the sea views and look for dolphins, turtles and rays. There are horses living on the island and a breathtaking ride awaits through the massive sand dunes, freshwater lakes and white sandy beaches. The varied eco system offers exceptional birding with large flocks of flamingo often seen. After your ride, a seafood lunch prepared by the boat captain will be served on board as you island hop by sail to Margaruke. Mask, fins and snorkels are provided and you are encouraged to enjoy some of the world's finest drift snorkelling along a vertical rock drop off. Return to Vilanculos as the sun sets over the ocean to enjoy dinner at a local restaurant.

Day 5 — 5 : VILANCULOS - JOHANNESBURG - 1.5 hours riding

After a relaxed breakfast, there is time for a short morning farewell ride up the coastline. The views over the bay and long stretches of unspoilt beach will be a memory that you never forget. You finish off your safari with the world renowned swim - to see horses wallowing and rolling in the sea is a once in a lifetime opportunity and truly magical experience. Time for one more lunch before you bid farewell to Vilanculos in preparation for your onward journey.

You will be transferred to Vilanculos airport in time for your flight back to Johannesburg.

EQUESTRIAN INFO

Horses

The horses are responsive, alert, tough and fit. The herd comprises of Thoroughbreds, Arabs and the South African Boerperds. Many of them were rescued from Zimbabwe by your hosts and guides, and are the subject of a book - One Hundred and Four Horses. They are schooled to a very high level and react easily and lightly to the aids.

Guide & local team

Pat and Many have fled their home in Zimbabwe, saving their horses from land invasions. They are experienced guides and horsemen and have built themselves an excellent reputation as hosts. They are passionate about their horses and look after them extremely well. Pat and Mandy will lead each ride, and always spend time with their guests sharing stories and experiences with them.

"One Hundred and Four Horses": The book "One Hundred and Four Horses" tells the story of Pat and Mandy Retzlaff and how they fled war-torn Zimbabwe with the horses they refused to leave behind. Eventually they reached Mozambique and set up home on the beautiful sandy beaches around Vilanculos. Some of the horses they rescued are still available for you to ride on our riding holidays in Mozambique.

Minimum riding ability

MINIMUM RIDING ABILITY

All abilities can be catered for and groups are usually split according to ability, with experienced riders going on faster rides and novice riders taking it more steadily. However, groups can choose to ride together if they wish but the pace will be set by the weakest rider.

TACKING ABILITY AND PARTICIPATION

A team of grooms will feed, care for and saddle your horses. You can help with untacking if you wish, but this is not expected.

TRIP CONDITIONS AND REQUESTED EXPERIENCE

Mozambique has a tropical climate which presents no special difficulties, however, temperatures can be very warm from November to March during the Southern African summer. Cyclones can be experienced during February.

We recommend our riders to wear a helmet to the correct standard and you should bring your own to ensure a proper fit.

If Sea Horse Beach House is full, we will look to accommodate guests in similar private homes and resorts in the area.

MEALS

Mozambique has a rich culinary heritage, with strong Portuguese, South African, and English influences.

Breakfast: fresh fruit, cereal or oats, eggs, bacon or tomatoes, Portuguese rolls or toasts.

Lunch and dinner are freshly cooked by your personal chef.

Vegetarians can be catered for with advance notice. There are limitations when it comes to vegan and gluten free diets as the safari is quite remote with limited access to special products.

CLIMATE

- Dry season: from April to mid-October, temperatures between 15° and 25°. This is the cooler, drier season: short and t-shirt weather! You may need a jacket in the mornings and evenings.

- Wet season: from November to March, with hot temperatures (25-30°+ during the day). This is the hotter, wetter season, when brief but vigorous downpours before the sun starts shining again. It seldom rains enough to spoil the riding fun though.

TIPS

Tips are customary in Mozambique and you should make sure to bring small notes to give to your driver and porters. During the ride, we recommend about US\$10 per rider per day to be divided between the staff.

PACKING LIST

Head

- A riding helmet is compulsory and we recommend that you take your own to ensure a correct fit. Helmet makers (GPA, HKM, LAS Helmets, Lamicell, Troxel, Equithème) now offer horse-riding helmets that are ventilated, strong, light and comfortable. You also have the option of buying protective shells to go under your hats (Ranch & Rider, Lexington Safety Products) or western hat helmets (Troxel).

Head

- Sunhat for when not riding
- Sunglasses - with a cord attached so they don't fly off when riding
- Buff or bandana

Upper body

- Long sleeved shirts provide protection from the sun and dust
- T-shirts
- Fleece, jumper or jacket - the evenings can be cold
- Waterproof jacket - the rains can be difficult to foresee and it's better to be prepared. Layering is key to cope with the fluctuations in temperature between day and night
- Casual clothes for the evening

Legs

- Lightweight, comfortable riding trousers or jodhpurs - we recommend riding in them at home before taking them on holiday to ensure they don't rub
- Shorts for lazy lunchtimes
- Bathing suit
- Casual clothes for the evening

Hands and Feet

- Comfortable riding boots. We recommend short boots with half chaps as long chaps/long boots can get very hot.
- Sandals, flip-flops or trainers for moving around the camp
- Gloves - your hands are particularly exposed to the sun whilst riding

Nightwear

- Thermals are a good option for sleeping in the colder months, or a t-shirt and shorts for warmer nights

Our Recommendations

- Please don't take a hard sided suitcase. Your luggage should be soft sided and you should pack it into two bags if it weighs more than 15kg so it's easier for the team to transport between camps
- Take a second, smaller bag to pack things you may need during the day such as a book or sunscreen then you can easily access it during the long lunch break
- We recommend travelling in your riding boots and carrying your hat and some riding clothes in your hand luggage - then if your luggage goes astray you are still able to ride!

Other useful items

- Water bottle (1.5 litre or two x 1 litre)
- Hand sanitiser
- Camera and high capacity memory card. Spare battery
- Bumbag for carrying your camera and small items whilst riding
- Binoculars
- Mask and tuba

In your luggage

- Any liquids, such as shampoo, moisturiser, deodorant unless they are less than 100ml and all bottles can fit in a small, clear, plastic ziplock bag.
- Small penknife

In your hand luggage

- Any valuables, such as your camera, ipod, ipad etc.

-Your riding hat

Medical kit

- Sunscreen and lip balm - must be high factor
- Insect repellent
- Any medication you regularly take
- Blister plasters in case of any rubs
- Antiseptic cream, plasters, aspirin, anti-histamine, insect-bite salve etc...
- Rehydration sachets (dioralyte or similar)
- Spare prescription glasses/contact lenses
- Ear plugs, particularly if you are a light sleeper
- Micropur or similar water purification tablets

Miscellaneous

- We recommend taking a copy of your passport and insurance documents with you in case you lose your originals

SUSTAINABLE TOURISM

1. **Travel light.** It's a little known fact, but the lighter you pack, the better for the environment as heavy bags will produce higher emissions (when flying a plane or driving a car!).
2. **Reduce plastic waste.** Take your favorite reusable bottle with you. Avoid single-use bags, cups, or straws.
3. **Preserve nature.** Always take your rubbish with you during the ride and recycle them. Leave all the flowers or plants as you found them, and never get too close when observing wildlife. Make sure to use eco-friendly products such as body wash or laundry detergent (if camping) to protect both your skin and the environment.
4. **Choose your experiences carefully.** Respect animal life by not participating in any activities that abuse wild animals (shows, elephant rides, etc.).
5. **Support local populations.** Buy local handicrafts, be respectful of customs, and learn about the culture of local communities.
6. **Share!** Raise awareness among your family and friends about sustainable tourism.
