Fernando runs the courses at the centre and he will come to collect you in the mornings to drive you to the hacienda for your lessons.

Viviane and Catalina, his daughters, are accomplished dressage riders and will be your instructors throughout your stay. All Epona instructors are qualified by the British Horse Society, Association of British Riding Schools and the Spanish Equestrian Federation which means that they are trained to always have the horse and rider's safety at heart. Viviane studied at the renowned Andalusian school in Jerez . Both Viviane and Catalina speak English and Spanish.

They also train their dressage horses themselves and are happy to answer any of your question during the daily training sessions!

## Minimum riding ability

---

### MINIMUM RIDING ABILITY

---

Typically, our trail and training riders are adults, with no upper age restriction, who are comfortable in a steady trot and canter, along open trails on a well mannered horse. Complete beginners cannot be accepted.

If there are large differences in the level of the group then they will split the rides and lessons into smaller groups of riders of the same level. Children from 12 years old are welcome provided they are at ease at walk, trot and canter.

Rider weight limit: 90 kg. Riders over the limit please contact us.

### PACE

---

The pace is dictated by the ability of the group and the groups will be decided on riding ability.

The group sizes will be kept as small as possible for intermediate or advanced riders. The main paces are walk and trot, although canters are possible for intermediate or advanced riders. You must be comfortable to canter in open spaces and be balanced in the saddle.

### TACKING ABILITY AND PARTICIPATION

---

Everyone is responsible for their own horse, the groom and instructor will help you to saddle and unsaddle your horse if necessary.

### TRIP CONDITIONS AND REQUESTED EXPERIENCE

---

You do not need to be an advanced rider but you do need to have basic riding skills and to be in good physical condition.

Teenagers aged 12+ are welcome as long as they can walk, trot and canter independently and are able to control their horses on trails.

### EQUESTRIAN EQUIPMENT

---

Helmets are obligatory and we strongly recommend bringing your own.

Dressage saddle

Simple bridles or bits

Stick, spurs, dressage aids can be provided.

## COMFORT

You will stay in a charming 4 star hotel in the heart of Carmona, in double or twin rooms. There are ensuite bathrooms and towels are provided. The hotel has a restaurant, a tapas bar and an Irish bar, as well as a swimming pool and patio areas. In the town of Carmona there are many restaurants to choose from - simple tapas to silver service - or you can choose to eat at the hotel or use their room service.

During the day, at the riding centre's hacienda, there is a swimming pool (towels will be provided), a relaxing lounge and outdoor seating areas. You will have lunch in their dining room each day.

Please note: Epona has good Wi-fi service, however at the hotel the connection is limited.

## MEALS

Breakfast is continental and dinner is had all together, buffet style, at the hacienda. Apart from the first evening where you will enjoy a buffet dinner with your host Fernando, dinners are not included. You may choose to eat in the restaurant at the hotel or in local restaurants.

## CLIMATE

Situated in southern Spain, not far from the African continent, Seville enjoys a Mediterranean climate. Being set inland from the sea, in the vast Guadalquivir plain, this allows for relatively mild and clement weather all year long.

The average yearly temperature is around 19.2 °C.

Seville's summers can be long and scorching with average temperatures often over 25 °C from May to October; with a record high of 46.6 °C. The temperatures peak between June and September with the temperature routinely reaching/ or topping 30 °C.

## TIPS

It is customary to leave a tip in restaurants in Spain. Around 10% of the bill is the standard, although it is often include – so do check. Tipping both in restaurants and to the team at the hacienda rests at your discretion.

Many of our guests ask if it is appropriate to tip our instructors and staff. The answer is, that though it is not compulsory in this country, it is very welcome indeed! It is a kind and thoughtful way of showing appreciation if you were happy with their service. On the other hand, no-one will be upset or offended if you choose not to.

We suggest two alternatives when you leave a tip. You can hand out the chosen amount personally to the staff member or members to whom you wish to show your appreciation, or you can put a general amount in an envelope and hand it to a member of the Garcia family (preferably Vivi), to be divided up equally, or according to your specifications, among the staff. Please do not give tips to be divided, to any members of staff, to avoid confusion and sometimes problems among the staff.

## PACKING LIST

In Spring, Autumn and especially in the summer months, it can get very hot, so to avoid feeling sweaty and sticky all the time, try to choose natural fabrics, especially cotton. Dress at Epona is very casual, even for the visits, jeans and T-shirts or a summery dress, are fine. For emergencies at the hotel you would find laundry service.

### Head

- Helmets are mandatory in Spain and at Epona this is enforced. Helmet makers (GPA, HKM, LAS Helmets, Lamicell, Troxel, Equithème) now offer horse-riding helmets that are ventilated, strong, light and comfortable.
- Sunhat: cap for when not riding
- Sunglasses - with a cord attached so they don't fly off when riding
- Buff or bandana for protecting your neck and face from the sun and dust

### Upper Body

Weather can change quite quickly so we recommend bringing tops you can wear in layers, T-shirts, sweatshirts and vests etc.

- Half or long-sleeved cotton shirts (to provide protection from the sun) or T-shirt in a quick-drying material
- Lightweight fleeces or jumpers
- A swimsuit
- If coming in winter, autumn or spring, a light shower jacket (the kind you can fold up into a little ball)

### Legs

- 2 pairs of jodhpurs or riding trousers
- 1 pair of casual trousers (tracksuit bottoms, leggings or jeans)
- Cotton or synthetic underwear (non-irritant)

#### Hands and feet

- Short jodhpur or paddock boots are the best option as they are much cooler and easier to transport, but if you are serious about your riding, we recommend that you use half-chaps along with them. If you do not have riding boots and do not want to go to the expense of buying some, you must bring string shoes or boots with a small, 1cm heel and no buckles. Please note, sneakers, canvas shoes or sandals are NOT acceptable, even for beginners.
- Lightweight shoes, sandals or trainers for the evenings
- Several pairs of socks
- Gloves for the classes. We will be teaching you to ride a horse correctly on the bit which requires a good contact, and if you are not accustomed to this, plus the warmer conditions, blisters can develop on the first day, which will definitely spoil your enjoyment of the riding for the rest of the week.

#### Other useful items

- Small bum bag to be worn whilst riding
- A soothing cream may be useful to treat areas irritated by long hours in the saddle
- Backpacks are not to be worn whilst riding. Everything should be kept either in pockets or in a bum bag : lip balm, sun screen, small camera, glasses, rope etc.
- Water bottle (1.5 litres or 2 equivalent)
- Head torch or small torch for moving around at night - bring spare batteries and bulbs
- Toiletries
- Toilet paper and a lighter to burn it after use
- Swiss army knife or equivalent (in checking-in luggage!!)
- Small plastic bags for your rubbish
- Ear plugs (may be useful)
- Camera and high capacity memory card. Spare battery
- A pair of binoculars

#### Medical kit

- Sunscreen and lip balm - should be high factor (at least 30+)
- Insect repellent
- Any medication you regularly take
- Vitamin C tablets
- Blister plasters in case of any rubs
- Antiseptic cream, plasters, aspirin, anti-histamine, insect-bite salve etc..
- 10cm wide bandage
- Painkillers
- Spare prescription glasses/contact lenses
- Eye drops
- Imodium or similar anti-diarrhoea medication
- Antiseptic wipes
- Handwash gel

#### General information

- The airline allows only one bag to be checked-in per passenger. Make sure it weighs no more than 20kg; if it exceeds this weight, you will have to pay excess luggage fees at check-in
- Hand luggage is limited to 7kg (measuring 56 cm x 45 cm x 25 cm), it mustn't contain any sharp objects (knives, scissors, nail file or nail scissors, etc.) and the quantity of liquid allowed per passenger is limited to 100ml per container.

#### In your hold luggage

- Any liquids, such as shampoo, moisturiser, deodorant over 100ml and all bottles can be decanted into small, clear, plastic ziplock bags. We recommend biodegradable washing products where possible.
- We recommend taking a copy of your passport and insurance documents with you in case you lose your originals
- In your hand luggage carry any valuables, such as your camera, ipod, ipad etc.
- Travelling in your riding boots and carrying your hat and some riding clothes is highly recommended - then if your luggage goes astray you are still able to ride!

## SUSTAINABLE TOURISM

1. **Travel light.** It's a little known fact, but the lighter you pack, the better for the environment as heavy bags will produce higher emissions (when flying a plane or driving a car!).
2. **Reduce plastic waste.** Take your favorite reusable bottle with you. Avoid single-use bags, cups, or straws.

3. **Preserve nature.** Always take your rubbish with you during the ride and recycle them. Leave all the flowers or plants as you found them, and never get too close when observing wildlife. Make sure to use eco-friendly products such as body wash or laundry detergent (if camping) to protect both your skin and the environment.
4. **Choose your experiences carefully.** Respect animal life by not participating in any activities that abuse wild animals (shows, elephant rides, etc.).
5. **Support local populations.** Buy local handicrafts, be respectful of customs, and learn about the culture of local communities.
6. **Share!** Raise awareness among your family and friends about sustainable tourism.
