### TIPS

In France it is customary to tip - usually this is by rounding up the price when you are satisfied with the service in a restaurant. You may wish to leave a tip with the guide who can split it amongst all members of the team.

### PACKING LIST

Head

- You are required to wear a riding helmet and we recommend that you take your own to ensure a correct fit. There are many lightweight options available nowadays

- Sunglasses - with a cord attached so they don't fly off when riding

- Buff or bandana

Upper body

- Thermals (long or short sleeved)

- Long sleeved shirts provide protection from the sun and are an extra layer

- T-shirts

- Lightweight fleece or jumper

- Warm fleece or jumper (and a spare in case one gets wet)

- Warm and waterproof jacket - it can rain at any time of year and the evenings can be particularly cold

## Legs

- 2 Lightweight, comfortable riding trousers or jodhpurs - we recommend riding in them at home before taking them on holiday to ensure they don't rub
- Thermals
- Casual trousers for the evenings, such as jeans or tracksuit bottoms
- Waterproof over trousers

## Hands and Feet

- Comfortable riding boots. We recommend short boots with half chaps but you may wish to take long chaps as an extra layer against inclement weather. We don't recommend taking your favourite long leather boots in case they get damaged
- Waterproof shoes/boots can be useful for abundant dew in the mornings or when it rains
- Trainers or equivalent light shoes for moving around the camp in the evenings
- Several pairs of warm, thick socks
- Gloves - your hands are particularly exposed to the sun, cold or rain whilst riding. Waterproof gloves can be particularly useful

## Our Recommendations

- Please don't take a hard sided suitcase. Your luggage should be soft sided with a capacity of 60-80 litres. We recommend taking a backpack or similar.
- Backpacks cannot be worn whilst riding. We recommend a small bumbag or a coat with pockets so that you can carry small items with you during the day (passport, camera, sunscreen, lipbalm etc)
- We recommend travelling in your riding boots and carrying your hat and some riding clothes in your hand luggage - then if your luggage goes astray you are still able to ride!
- Dinners will be had at gourmet restaurants and you should dress accordingly.

## Other useful items

- Camera and high capacity memory card. Spare battery
- Bumbag for carrying your camera and small items whilst riding
- Headtorch or small torch for moving around camp at night - bring spare batteries and bulbs
- Water bottle (2 litres or 2 x 1 litre)
- Swiss army knife (or equivalent)
- Small plastic bags for rubbish
- Ear plugs (for light sleepers)

## In your hold luggage

- take any liquids, such as shampoo, moisturiser, deodorant unless they are less than 100ml and all bottles can fit in a small, clear, plastic ziplock bag. We recommend biodegradable washing products where possible.

## In your hand luggage

- Any valuables, such as your camera, ipod, ipad etc.

## Medical kit

- Any medication you regularly take
- Sunscreen and lip balm - should be high factor
- Insect repellent, preferably containing deet
- Blister plasters in case of any rubs
- Antiseptic cream, plasters, aspirin, anti-histamine, insect-bite salve etc...
- Spare prescription glasses/contact lenses
- Eye drops
- Imodium or similar anti-diarrhoea medication
- Antiseptic wipes
- Handwash gel

## Miscellaneous

- We recommend taking a copy of your passport and insurance documents with you in case you lose your originals

## SUSTAINABLE TOURISM

1. **Travel light** . It's a little known fact, but the lighter you pack, the better for the environment as heavy bags will produce higher emissions (when flying a plane or driving a car!).

2. **Reduce plastic waste.** Take your favorite reusable bottle with you. Avoid single-use bags, cups, or straws.
3. **Preserve nature.** Always take your rubbish with you during the ride and recycle them. Leave all the flowers or plants as you found them, and never get too close when observing wildlife. Make sure to use eco-friendly products such as body wash or laundry detergent (if camping) to protect both your skin and the environment.
4. **Choose your experiences carefully.** Respect animal life by not participating in any activities that abuse wild animals (shows, elephant rides, etc.).
5. **Support local populations.** Buy local handicrafts, be respectful of customs, and learn about the culture of local communities.
6. **Share!** Raise awareness among your family and friends about sustainable tourism.
