## Day 1 — 1: HOME - LISBON - GRANDOLA - No riding

 Monte Das Faias

Your flight to Lisbon should arrive by 16:30 to allow time for you to collect your luggage. Transfer at 17:30.

You will travel south to Monte das Faias, approximately 100km. Your accommodation is a rural house – a typical 'Alentejana' architecture which is located in the region of Grândola.

## Day 2 — 2: GRANDOLA - SANTIAGO DO CACEM - 4 hours riding

 Quinta de Malmedra

Your first day of riding takes you through hilly landscapes to Santiago do Cacem. After your first few canters you will notice how characterful and sure-footed your Lusitano horse is.

You will stop for lunch in the shade where a picnic with grilled meat or fish, salad, bread and wine will be prepared for you.

In the afternoon you continue riding through forests of pine and cork trees until reaching Quinta da Ortiga where the horses will be stabled. You are transferred a short distance to your hotel, Quinta de Malmedra, a modern, luxury hotel, where you have dinner and spend the night.

## Day 3 — 3: QUINTA DE MALMEDRA - 4-6 hours riding

---

 Quinta de Malmedra

Today you traverse forests of eucalyptus, with their distinctive perfume as the horses' hooves crunch through the fallen leaves.

Stop for lunch near Morgavel's reservoir where there is time for a short siesta!

In the afternoon there are opportunities for some fast canters along the sandy tracks as you return to your hotel for a second night.

## Day 4 — 4: QUINTA DE MALMEDRA - SANTO ANDRE - 3-4 hours riding

---

 Vila Park

Today, either in the morning or the afternoon, you will be transferred c. 30mins to the Sado River where you will join a 2hr boat trip into the estuary to look for dolphins. Dolphin sightings can not be guaranteed but are very likely. Please note that the boat trip is subject to weather conditions.

For your half day ride you will explore sandy trails through fields and forests, allowing for several canters. You ride past Santa Andre lagoon where you may see flamingoes and storks. Continue past rice fields, which in summer are an astonishing shade of green, until reaching your hotel - the Vila Park.

## Day 5 — 5: BEACH RIDE - 4-6 hours riding

---

 Vila Park

Today you ride from your hotel to the beach. Between June and September this ride is at dawn to avoid holiday makers on the beach - it's a beautiful ride as the sun rises over the dunes. There should be opportunities for beach canters (tides permitting) before reaching your picnic spot amongst the pine forests. There may be a chance to swim in the sea before riding back through the dunes to your hotel.

Dinner will likely be in a local restaurant tonight.

## Day 6 — 6: MELIDES - GRANDOLA - 4-6 hours riding

---

 Monte Das Faias

Today's ride takes you from the coast towards Grandola. There are many opportunities for faster riding today as you pass through the pine forests. Red paths alternate with sandy paths and you may encounter herds of sheep or cows being tended by their owners.

Return to Monte das Faias where there may be time for a refreshing swim before dinner.

## Day 7 — 7: GRANDOLA - 4-6 hours riding

---

 Monte Das Faias

Your final day of riding is through the Sierra of Grandola - a rolling landscape dotted with picturesque villages. Stop for a final picnic lunch and siesta before continuing your circuit back to Monte das Faias for a farewell dinner.

## Day 8 — 8: GRANDOLA - LISBON - HOME - No riding

---

After breakfast you will be transferred back to Lisbon airport for your flight, which should depart after midday.

Please note that if your flight departs before midday, we can organise a private transfer at an additional cost (please contact us).

### **PACKING LIST**

- Equus Journeys strongly recommend that you wear a riding helmet and that you take your own to ensure a correct fit.
- Sunhat for when not riding

- Buff or bandana for protecting your neck and face from the sun and dust

#### Upper body

- Long sleeved shirts to provide protection from the sun
- T-shirts
- Lightweight fleece or jumper

#### Hands and Feet

- Comfortable riding boots. We recommend short boots with half chaps but you may wish to take long chaps or long boots.
- Lightweight shoes for the evenings

- Bumbag for carrying your camera and small items whilst riding

## SUSTAINABLE TOURISM

1. **Travel light.** It's a little known fact, but the lighter you pack, the better for the environment as heavy bags will produce higher emissions (when flying a plane or driving a car!).
2. **Reduce plastic waste.** Take your favorite reusable bottle with you. Avoid single-use bags, cups, or straws.
3. **Preserve nature.** Always take your rubbish with you during the ride and recycle them. Leave all the flowers or plants as you found them, and never get too close when observing wildlife. Make sure to use eco-friendly products such as body wash or laundry detergent (if camping) to protect both your skin and the environment.
4. **Choose your experiences carefully.** Respect animal life by not participating in any activities that abuse wild animals (shows, elephant rides, etc.).
5. **Support local populations.** Buy local handicrafts, be respectful of customs, and learn about the culture of local communities.
6. **Share!** Raise awareness among your family and friends about sustainable tourism.
