Day 1 — 1 : HOME - LISBON - FIGUEIRA E BARROS - No riding

 Monte Do Padrao

Your flight to Lisbon should arrive by 16:30 to allow time for you to collect your luggage.

At 17:30 you will be transferred north-east c. 150 km to the town of Figueira e Barros. For your first night you stay in a renovated farmhouse, the Monte do Padrão. This lovely historic accommodation has a very welcoming host who may invite you to enjoy some of the wines from his cellar.

You will have dinner with your guide and the rest of the group.

Day 2 — 2 : FIGUEIRA E BARROS - MONTE DOS AROEIRAIS - 4-6 hours riding

 Monte Dos Aroeirais

Meet your horses and ride over hilly meadows and down to a river, where you stop for lunch. This is a large-scale land-holding and there are few fences and roads. Most of the stone bridges over the numerous rivers date back to the romans.

For lunch, a picnic will be prepared with grilled meats or fish together with salad, fresh bread and local wine.

In the afternoon, continue riding along the banks of the river – it may be necessary to dismount and lead your horse over some particularly rocky sections.

The day ends at Monte dos Aroeirais where you can spend the evening and dinner in the beautiful garden by the pool.

Day 3 — 3 : MONTE DOS AROEIRAIS - ALTER DO CHAO - 4-6 hours riding

 Varandas de Alter

Today's ride takes you from Monte dos Aroeirais to the town of Alter do Chão, through meadows where they raise wild bulls. After a picnic lunch and siesta you arrive at the Alter Real stud farm where the horses are stabled.

You are transferred a short distance to your accommodation at Varandas de Alter, where you have dinner.

Day 4 — 4 : ALTER DO CHAO - 2 and a half hours riding

 Varandas de Alter

Today in the morning you will ride through the vast flower-filled meadows on the lands of the stud farm. After lunch at the hotel, you will visit Alter do Chão, the stud and breeding farm. Horses bred here are very famous and traded under the name Alter. This is often a highlight and not only for horse-lovers. In this idyllic location, hundreds of mares and their colts graze on large meadows filled with flowers. You should also get the opportunity to see some of the stallions and young horses.

Return to the town of Alter where, time allowing, we stop at a Portuguese tack shop where you can buy local riding products such as leather chaps, boots or belts. Dinner and overnight at Varandas de Alter.

Day 5 — 5 : ALTER DO CHAO - RIBEIRA DA SEDA - 4-6 hours riding

 Monte Dos Aroeirais

Leave the stud farm behind and ride to Ribeira da Seda through large meadows with only one remote farmhouse to remind you of the presence of people. The horses will stay in Monte do Padrão whilst you will be transferred to the manor of Monte dos Aroeirais.

Dinner and overnight at Monte dos Aroeirais.

Day 6 — 6: MONTE DO PADRAO - 4-6 hours riding

 Monte Do Padrao

Today you ride through the fields of the 3,000 hectare farm of Monte do Padrão, exploring the great plains of the upper Alentejo, which are home to extensive fruit and olive orchards.

Dinner and overnight at Monte do Padrão.

Day 7 — 7 : MONTE DO PRADRAO - MARANHÃO LAKE - MONTE DO PRADRAO - 4-6 hours riding

 Monte Do Padrao

Today you ride from Monte do Padrão towards Lake Maranhão through the private hunting grounds of the Calatrava, consisting of open fields and cork forests. There is lots of opportunity for long trots and canters. You enjoy lunch on the banks of the dam before returning to the farm by a similar route.

Farewell dinner and overnight at Monte do Padrão.

Day 8 — 8 : MONTE DO PRADRAO - LISBON - hHOME - No riding

After breakfast, transfer back to Lisbon and departure. You should book a flight departing after midday from Lisbon. Earlier flights can be accommodated but you will have to pay for a private transfer - please contact us.

SUSTAINABLE TOURISM

1. **Travel light.** It's a little known fact, but the lighter you pack, the better for the environment as heavy bags will produce higher emissions (when flying a plane or driving a car!).
2. **Reduce plastic waste.** Take your favorite reusable bottle with you. Avoid single-use bags, cups, or straws.
3. **Preserve nature.** Always take your rubbish with you during the ride and recycle them. Leave all the flowers or plants as you found them, and never get too close when observing wildlife. Make sure to use eco-friendly products such as body wash or laundry detergent (if camping) to protect both your skin and the environment.
4. **Choose your experiences carefully.** Respect animal life by not participating in any activities that abuse wild animals (shows, elephant rides, etc.).
5. **Support local populations.** Buy local handicrafts, be respectful of customs, and learn about the culture of local communities.
6. **Share!** Raise awareness among your family and friends about sustainable tourism.
