### Day 1 — 1 : EUROPE- LISBON -HORTA - No riding

#### Patio Lodge

You will be met at the Horta airport on Faial Island by a member of our team. Outside of June and August we recommend you spend the night before in Lisbon and take the 2,5 hour flight the following day. We can take care of your reservations in Lisbon upon request. You can also fly to Sao Miguel and from there to Horta with SATA/Azores Airlines.

From the airport, you will be taken to your accommodation at Patio Lodge (30 minutes) where you will be based for the rest of your stay and that evening you will have your first Azorean meal at the lodge.

Please note that the arrival and departure dates are very flexible: contact us with your requirements and we will check availability for you.

### Day 2 — 2 : PATIO LODGE - WHALING HARBOURS - PATIO LODGE - 4-5 hours riding

#### Patio Lodge

Before your first day in the saddle, you will learn a lot about whales and their history on the island of Faial during the briefing. You will then get to know

your horse and your equipment for the week. The ride starts on gently rising meadow paths, and becomes more active with short trots and canters. You reach a whale watching point. With a little luck and when the sea is calm, riders can see whales and dolphins. You then make your way back to the lodge along the steep coast, where lunch awaits. In the afternoon you set out on horseback again to reach two small whaling harbours. If the weather is good, you can even go for a swim! The horses stay overnight in a small hamlet, while riders are driven back to the lodge.

## Day 3 — 3 : LIGHTHOUSE TRAIL - 4 hours riding

---

 Patio Lodge

Today you can learn about the impact of the 1998 earthquake on Faial. You set out early on today's morning trail, that begins along the coast through blue hydrangea hedges, to the island's former lighthouse, which was destroyed in the earthquake. The nearby village still has a crumbling church that testifies to the power of the earthquake. Saddlebag picnic for lunch, before continuing the ride. During the afternoon you will witness beautiful views of the other islands. Eventually you will reach the paddock for the night and transfer back to the Ecolodge.

## Day 4 — 4 : CALDEIRA OF FAIAL - 6-7 hours riding

---

 Patio Lodge

Another early start, as you ride today to one of the island's top highlights: Faial's crater, the Caldeira, standing at an altitude of 1,000m. A real challenge for riders and horses. It is likely that you will meet farmers on the way to their cows, and pass Heather trees looking like giant broccoli! You slowly ride your way up to the crater rim of Faial via switchback tracks - the crater is 400m deep and 2,500m wide and is a fairly impressive sight. Those who would like to extend their stay on Faial Island can descend into the depths of the crater with a nature park guide (please ask us for possible extensions and activities). After a saddlebag picnic lunch, you ride through the wild and remote landscape of the high mountains. The trail leads you over farm roads down to a small volcano which inner crater you can reach on foot through a small tunnel - a very special experience! After a full day in the saddle, you arrive at the Jungle Camp in the late afternoon, where the horses stay overnight while riders are taken back to the lodge.

## Day 5 — 5 : CABEÇO VERDE TRAIL & WHALE WATCHING - 3 hours riding

---

 Patio Lodge

OPTIONAL WHALE WATCHING (April-October):

After breakfast, you will drive to Horta town to meet a team of marine biologists. Together with them you will go out to the ocean in a powerfully motorized zodiac.

More than 30 different whales and dolphins can be encountered in the ocean surrounding Faial. It's a wonderful experience to be so close to the largest mammals in the world.

If the sea condition doesn't allow, or if you are visiting outside of whale watching season (November - March), you will be driven to Horta town. Here you will have time to explore the colourful and cosmopolitan harbour town by yourself. Walk along the sailing harbour, find secluded spots in the town and visit the old whalers factory.

At lunch time, you will be picked-up and taken to a typical Faial island "tasca".

Later you will arrive to the Jungle Camp. After preparing the horses, you will ride up to the Green Hill called "Cabeço Verde". From the top of this volcano you can admire spectacular views over an amazing landscape and the volcano of Capelinhos. The way down will allow you to see the vineyards, unique to Faial Island. A wine growing area which, thanks to the ashes of the last eruption and the special way of growing the grapes, is creating a wonderful homemade wine.

## Day 6 — 6 : CAPELINHOS - 4-5 hours riding

---

 Patio Lodge

Today the trail takes you through a mystical jungle landscape. Enjoy fantastic canters with beautiful ocean views. Extensive vineyards, but also small adegas pave the way. Via narrow tracks close to the shore, you reach another top highlight of the Azores, the volcano of Capelinhos, that erupted in 1957. Desert-like solitude awaits. Hidden under the buried lighthouse is the modern interpretation center that reports on the volcanism of the Azores and the eruption of the volcano. We combine a saddlebag picnic with a visit to this attraction. Riding over parts of the volcano, we reach the Jungle Camp in the late afternoon. The transfer back to the lodge is already waiting there.

## Day 7 — 7 : FAJÃ BAY & CANYON TRAIL - 4-5 hours riding

---

 Patio Lodge

Today is the last day of your trail riding holiday in the Azores.

Fajã Bay is a hidden bay where islanders have been growing wine and fruits for 500 years. On the way, you will pass small "Adegas", wine houses with

their vineyards.

After riding through dense jungle you will reach the black lava beach of Fajã Bay. A magical, romantic world of its own. Small lava stone houses, well-kept gardens and a wild sea await you.

Afterwards, you will cross the island from the dry south to the green north, enjoying magnificent views over terraced pastures down to the blue ocean. Some nice canters lead to the highest village on the island, Ribeira Funda. A typical Azorean picnic is waiting for the group directly above the 300m deep canyon. In the afternoon the route takes you along yam fields through a small, wild and romantic valley after 6 days of riding back to the Lodge. A big farewell dinner with wine tasting in the lodge end a lovely trail riding week.

## Day 8 — 8 : HORTA-EUROPE - No riding

After having an early breakfast, you will fly out to Lisbon.

We recommend booking the earliest flight possible to Lisbon so you can catch your connecting flight back to Europe.

You can also continue your trip with a extension to other islands, a hiking trip down the caldeira or perhaps the chance to swim with dolphins. Please contact us for details.

EQUESTRIAN INFO

Horses

---

A herd of gentle and well-schooled pure Lusitanos or Lusitano-Cruzado Portuguese cross horses await you on Faial Isle. They spend the year round out on the prairies and are worked with daily. Their average height is 15.2hh.

Rider weight limit: 95kg/ 15stone/ 209 lbs.

## Guide & local team

---

Victor and Anja stumbled across this beautiful little island years ago, and decided to make a life for themselves here. They bought an old Quinta, renovated it beautifully and soon added rooms to the structure. They are German and speak perfect English and Portuguese. Victor is occasionally seen leading the trails, while Anja looks after the horses and manages the facilities.

Diogo is native to the Island and has trained in Lisbon. He is a competent horse man and a great lead guide. He's always happy to take you around his island and tell you about its secrets. He speaks Portuguese and English.

Carla will be looking after your meals and make sure you get a taste of the traditional Azorean cuisine.

Several interns complete the team in the summer, helping out at the stables and as back up guides.

## Minimum riding ability

---

### MINIMUM RIDING ABILITY

---

You should be able to ride in all paces and in all kinds of terrain. The terrain is quite mountainous due to the volcanic nature of the island and you should have a steady seat, but the ride is not overly technical.

Rider weight limit: 95 kg / 210 lbs / 14.9 st.

### PACE

---

The riding is relaxed with all three paces (walk, trot, canter). Due to the mountainous nature of the terrain, most of the ride is at a walk but faster paces will be had whenever suitable.

### TACKING ABILITY AND PARTICIPATION

---

Each rider grooms and tacks their own horse and helps the team to distribute water and food to the horses.

### TRIP CONDITIONS AND REQUESTED EXPERIENCE

---

A good level of fitness and endurance is required as you will spend several hours in the saddle each day.

### EQUESTRIAN EQUIPMENT

---

Prestige trail saddle, saddlebags and Australian raincoats.

With Azorean airline SATA riding equipment is free of charge up to 10 kg.

Helmets are mandatory. We recommend our riders to wear a helmet to the correct standard and you should bring your own to ensure a proper fit.

Due to individual sizing needs and security reasons, we recommend you bring the following equipment: waterproof trekking footwear, wind and waterproof jacket and trouser, and a small refillable bottle.

## TRAVEL INFO

### COMFORT

---

You will stay in the comfortable Patio Lodge built on the property in 2016. Cosy and inviting to come back to after a day's riding, you will be able to enjoy the accommodation's terrace and garden. The rooms are double or twin. You can also request a single room at an extra charge. In 2020, the Lodge also added a lovely "Tiny House" to their offer, perfect for couples looking for a little more intimacy.

Please note the rooms have no fans or AC in keeping with their sustainable policy.

There is a small fitness centre with a pool.

There is also a cosy cottage perfect for families and groups of friends that can sleep up to 4 (at a supplementary cost). If all accommodation options at the lodge are fully booked at the time of your booking, you will be given the option to stay at a local guesthouse instead.

## MEALS

Dinner is typically Azorean cuisine with water and wine included.

Lunchtime is either a picnic or a light lunch in a local bar (with selected drinks).

## CLIMATE

The Azores have a maritime climate with mild temperatures ranging from 16°C (60°F) in winter to a comfortable 26°C (79°F) in summer. The sea is warmed by the Gulf Stream and sea temperature varies from 14°C to 22°C. On average there is about three to four hours of sunshine a day in winter and seven to eight in summer. Rainfall is distributed around the year, but is heavier and more frequent in winter. Characteristic for the Azores is the wide variety of weather conditions within a short period; a single day can be windy and calm, sunny and showery in any combination! A typical and true remark is that if you don't like the weather, you just have to wait 10 minutes!

## TIPS

Tipping is not compulsory but will be very much appreciated if you enjoy the services provided by the team. Tipping is totally at your discretion but we recommend €50 (€30 for the trail guide and €20 for the lodge team)

- You should also bring a copy of your passport/insurance in case you lose your documents. You can also save a copy into your mobile phone.

## SUSTAINABLE TOURISM

1. **Travel light** . It's a little known fact, but the lighter you pack, the better for the environment as heavy bags will produce higher emissions (when flying a plane or driving a car!).
2. **Reduce plastic waste** . Take your favorite reusable bottle with you. Avoid single-use bags, cups, or straws.
3. **Preserve nature** . Always take your rubbish with you during the ride and recycle them. Leave all the flowers or plants as you found them, and never get too close when observing wildlife. Make sure to use eco-friendly products such as body wash or laundry detergent (if camping) to protect both your skin and the environment.
4. **Choose your experiences carefully** . Respect animal life by not participating in any activities that abuse wild animals (shows, elephant rides, etc.).
5. **Support local populations** . Buy local handicrafts, be respectful of customs, and learn about the culture of local communities.
6. **Share!** Raise awareness among your family and friends about sustainable tourism.
