Day 1 — 1 : ARRIVE IN CAGLIARI - SAN GIOVANNI SUERGIU

On your arrival into Cagliari, you will be met by your guide or a representative from our team. Please note flights are not included but can be booked on request. Transfers are organised at set times, please see "dates and prices" for more information. Once all the riders have arrived, you will be driven to San Giovanni Suergiu which is around a 1h15m drive from the airport.

After arriving at your hotel, you will have a chance to settle in before dinner.

In the evening, over a delicious Italian meal, you will meet your guides who will brief you on the ride to come, their horses and they will find out a little bit more about your level before the start of the ride the following day.

Day 2 — 2 : SAN GIOVANNI SUERGIU - SANT'ANTIOCO - 4-5 hours riding

After breakfast, both horses and riders will be taken by road to Sant'Antioco island, which is connected to Sardinia by a bridge. On the island, you will

lead the horses from the lorry and prepare them before starting your ride. The day's riding will allow you to discover the wild and magnificent beauty of rural Sant'Antioco, a different side to the Sardinia you will have already explored. Lunch will be a picnic alongside the horses before travelling to your hotel.

After checking in and refreshing after the day's ride, you will spend the evening meal with your guides and enjoy traditional Italian cooking.

Please note: From the end of June to the beginning of September it can be extremely hot, the time spent on horseback can therefore be shortened from 6 to 4 hours.

Day 3 — 3 : SANT'ANTIOCO - 4-5 hours riding

 Colori

Today will be spent exploring the north-west of Sant'Antioco stopping for a picnic lunch with a fantastic view. In the evening, you will return to your hotel where your dinner will be awaiting you!

Please note: From the end of June to the beginning of September it can be extremely hot, the time spent on horseback can therefore be shortened from 6 to 4 hours.

Day 4 — 4 : SANT'ANTIOCO - SAN PIETRO - 4-5 hours riding

 Colori

In the morning, you will load the horses into the horse box before leaving for the mountains. The views over the coast and the islands are truly spectacular.

Dinner in a restaurant and back to the hotel for the night.

SAN PIETRO ALTERNATIVE: Instead of today's ride to the mountains, you wish to tick another island off your list and ride on San Pietro Island (£180 supplement, 3 riders minimum). This cannot be guaranteed on all departures.

Please note: From the end of June to the beginning of September it can be extremely hot, the time spent on horseback can therefore be shortened from 6 to 4 hours.

Day 5 — 5 : BRUNCU - SAN GIOVANI SUERGIU - 4-5 hours riding

 Colori

Like the day before, the morning starts with a journey by car and boat this time to reach Portoscuso port. After a few kilometers on the road in Sardinia, you will set off for Drettu where you will discover a glorious view of Sant'Antioco - the island you explored on horseback just 2 days before. You will also explore the harbor with its traditional Sardinian flat-bottomed boats. After a lunchtime picnic, you will ride through Dea Madre, the ancient village of Is Locis Santus.

At the end of the day's ride you will return to the stables. Dinner at the hotel.

Please note: From the end of June to the beginning of September it can be extremely hot, the time spent on horseback can therefore be shortened from 6 to 4 hours.

Day 6 — 6 : MONTE PRANU LAKE - 4-5 hours riding

 Colori

In the morning, you will make your way to the neighboring stables where you will meet the horses and get saddled up. The first day's riding will be spent exploring Monte Pranu lake and the medieval Tatalis castle with its typical Sardinian Roman church dating from the 12th century. After a picnic on the banks of the lake you will take a different scenic route back to the stables. The Italian evening meal at the guest house or hotel will be a chance to relax with your guides.

Please note: From the end of June to the beginning of September it can be extremely hot, the time spent on horseback can therefore be shortened from 6 to 4 hours.

Day 7 — 7 : SAN GIOVANI SUERGI - PORTO PINO - 4-5 hours riding

 Colori

Spending the morning on horseback, you will ride to one of the southern points of Porto Pino Island! Setting off through the salt marshes you will make your way to Monte Palma, an ancient 1000 year old roman-pisan church, offering a glimpse of a spectacular panorama. From there, you will continue on to the, surprisingly, bright white sand dunes of Is Salinas and a picnic next to the sea. For the afternoon you will ride along a scrubland path before riding through the Carignano vineyards of Porte Su Triggu.

Your ride will end at Porto Pino, where you will find sandy beaches, rock-pools, flamingoes and cormorants - a beautiful final image of your ride through Sardinia. You will be collected from Porto Pino to take you back to the guest house.

The evening will be focused around a final Italian meal where you will get to say your final goodbyes to your guides and share memories from your rides.

Please note: From the end of June to the beginning of September it can be extremely hot, the time spent on horseback can therefore be shortened from 6 to 4 hours.

Day 8 — 8: SAN GIOVANNI SUERGIU - DEPARTURE FROM CAGLIARI

EQUESTRIAN INFO

Horses

Your guides, born and raised in Sardinia, have about 15 horses. They are extremely well looked after, something that our clients frequently note. All are very gentle, have a forward attitude and are well behaved.

Guide & local team

In 1978, Candido opened his stables and has led all of his horse riding trails himself. Today, his son, Manolo, works alongside him and has also become an experienced horse riding guide like his father.

Manolo leads most trails and has a basic knowledge of English, but please do not expect the guides to speak perfect English. It is best if you have some knowledge of Italian to make the most of this experience!

1. **Travel light.** It's a little known fact, but the lighter you pack, the better for the environment as heavy bags will produce higher emissions (when flying a plane or driving a car!).
2. **Reduce plastic waste.** Take your favorite reusable bottle with you. Avoid single-use bags, cups, or straws.
3. **Preserve nature.** Always take your rubbish with you during the ride and recycle them. Leave all the flowers or plants as you found them, and never get too close when observing wildlife. Make sure to use eco-friendly products such as body wash or laundry detergent (if camping) to protect both your skin and the environment.
4. **Choose your experiences carefully.** Respect animal life by not participating in any activities that abuse wild animals (shows, elephant rides, etc.).
5. **Support local populations.** Buy local handicrafts, be respectful of customs, and learn about the culture of local communities.
6. **Share!** Raise awareness among your family and friends about sustainable tourism.
