You will ride past one of the best known monuments in this part of Tuscany, Ildebranda's tomb. Continuing on horseback through Inferno valley and past Colombaia's tomb, you will reach the ramparts of Sovana. Situated a top an isolated peak this village looks out over the beautiful surrounding countryside. You will spend the night not far from Sovana, in the countryside at a country house.

For the day's ride, you will be following the Via Cava di San Giuseppe, a sacred road flanked on each side by rock walls, which links the region's ancient necropoli and other Etruscan religious sites. According to slightly more prosaic accounts, these strange megalithic corridors, were also used in the herding of cattle and also as a means of ensuring the safe passage of travelling town and village folk.

You will travel this road to the Fiora river, which you cross and then continue on to Poggio Buco until you reach the farmhouse where you will spend the night.

Day 5 — 5 : POGGIO BUCO - POGGIO CONTE - 5 - 6 hours riding

Today you will ride along the river Fiora until the hermitage of Poggio Conte, where 16th century hermits built a chapel entirely dug out of the tuff rock. In the afternoon you will have the opportunity to join Butteri (Italian cowboys) moving their cattle (Maremma horses and cows).

You will then descend the length of the Lente river, to its source, before heading on towards Montevitozzo, Pratolungo and Castell'Ottieri before arriving back at the horse farm in Cornacchino. In the evening you will have a farewell dinner when you will have a chance to say goodbye to your guides and also every rider will receive a surprise to celebrate the end of the trip.

SUSTAINABLE TOURISM

1. **Travel light.** It's a little known fact, but the lighter you pack, the better for the environment as heavy bags will produce higher emissions (when flying a plane or driving a car!).
2. **Reduce plastic waste.** Take your favorite reusable bottle with you. Avoid single-use bags, cups, or straws.
3. **Preserve nature.** Always take your rubbish with you during the ride and recycle them. Leave all the flowers or plants as you found them, and never get too close when observing wildlife. Make sure to use eco-friendly products such as body wash or laundry detergent (if camping) to protect both your skin and the environment.
4. **Choose your experiences carefully.** Respect animal life by not participating in any activities that abuse wild animals (shows, elephant rides, etc.).
5. **Support local populations.** Buy local handicrafts, be respectful of customs, and learn about the culture of local communities.
6. **Share!** Raise awareness among your family and friends about sustainable tourism.
