 Maremma Farm

Your first day of riding will take you through the rolling hills of San Colombano. You will cross the Fiora river and make your way through Montecalvo forest before reaching the fascinating Poggio Conte. Poggio Conte is a chapel that was inhabited and built into the surrounding rock by hermits in the

16th century. Despite being part of the hillside, the chapel's interior is incredibly detailed, including arches and painted ceilings. You will have your evening meal and spend the night at a cosy, rural farm house.

Day 3 — 3 : BACCANO - VULCI - 5 hours riding

In the morning, you will set off through the woodlands at Baccano to arrive at Vulci - a site, in the midst of rolling fields, with an Etruscan chateau set amongst the cemeteries and ruins of the ancient city. Here you will stop for your picnic lunch and make the most of your fantastic surroundings. During the afternoon, you will visit the region's archaeological park and have your first lesson in how to work with the Maremma buffalo and cattle. You will spend the night at a country house after another authentic Italian dinner.

Day 4 — 4 : DAY WITH THE TUSCAN COWBOYS (BUTTERI) - 5 hours riding

 Maremma Farm

You will spend your day living the life of a Butteri, a Tuscan cowboy, working with them and the herds of cattle that roam the farm land. Lunch will be a BBQ of home-grown produce cooked in the regional style.

Day 5 — 5 : OLPETA - LAKE MEZZANO - 5 - 6 hours riding

In the morning, you will head off on the start of a 2 day ride back to the Il Cornacchino guest house where your stay began. You will travel the length of the Olpeta river then ride the ancient Etruscan roads with their paved floors, high walls and Roman ruins along the way.

The woodland here is rich with local wildlife, including various species of falcon and woodpecker unique to the area. The wood is home to stunning wild flowers and birds as well as Maremma cattle which graze in the forest clearings.

After stopping for a picnic lunch in the woodland, you will cross rolling hills offering breathtaking panoramas before reaching your guest house for the evening. The guest house is situated near lake Mezzano, a crater lake of volcanic origin.

Day 6 — 6: MEZZANO LAKE - CASTELL'AZZARA - 5 - 6 hours riding

 Agriturismo Il Cornacchino

Your last day of riding will take you from lake Mezzano towards the medieval village of Sorano, from there you will continue along the deep-cut, long and winding Etruscan roads to find yourself once more in Montevitozzo. You will then make your way back to the horse farm from where set off. Your dinner, once more, a fantastic Italian meal. You will spend the night at the farm.

SUSTAINABLE TOURISM

1. **Travel light.** It's a little known fact, but the lighter you pack, the better for the environment as heavy bags will produce higher emissions (when flying a plane or driving a car!).
2. **Reduce plastic waste.** Take your favorite reusable bottle with you. Avoid single-use bags, cups, or straws.
3. **Preserve nature.** Always take your rubbish with you during the ride and recycle them. Leave all the flowers or plants as you found them, and never get too close when observing wildlife. Make sure to use eco-friendly products such as body wash or laundry detergent (if camping) to protect both your skin and the environment.
4. **Choose your experiences carefully.** Respect animal life by not participating in any activities that abuse wild animals (shows, elephant rides, etc.).
5. **Support local populations.** Buy local handicrafts, be respectful of customs, and learn about the culture of local communities.
6. **Share!** Raise awareness among your family and friends about sustainable tourism.
