EQUESTRIAN INFO

Horses

A stable of 40 horses of all levels. Most are Pure Bred Spanish horses, but you will also be able to find some Andalusians and Andalusian crosses. During this week, the instructor will pair riders with Pure Bred Spanish-Andalusian stallions and geldings. Just a few of the horses will be cross Andalusians. Instructors will match you to the horse that suits you best depending on your level, your approach and your temperament.

Guide & local team

Rafael Soto, Olympic medallist in dressage, needs no introduction. Now retired from the competition, he dedicates his time to teaching and training.

Fernando runs the courses at the centre and he will come to collect you in the mornings to drive you to the hacienda for your lessons.

Viviane and Catalina, his daughters, are accomplished dressage riders and will be your instructors throughout your stay. All Epona instructors are qualified by the British Horse Society, Association of British Riding Schools and the Spanish Equestrian Federation which means that they are trained to always have the horse and rider's safety at heart. Viviane studied at the renowned Andalusian school in Jerez. Both Viviane and Catalina speak English and Spanish.

They also train their dressage horses themselves and are happy to answer any of your questions during the daily training sessions!

Minimum riding ability

MINIMUM RIDING ABILITY

—
A prior knowledge of dressage is ideal to get the most out of these lessons. Yet, if you are an intermediate rider your instructors will find you a horse to match your abilities. Equally important is the openness to learn new ways of doing things. The goal at Epona is that you see a huge improvement in your riding but also have fun. You must be competent at walk, trot and canter.

Rider weight limit: 80 kg. Riders over the limit please contact us.

PACE

The programme includes lessons in the morning and afternoon, plus some lunge sessions which are excellent for improving seat, balance and posture. You will hopefully get to experience passage, piaffe and flying changes.

TACKING ABILITY AND PARTICIPATION

The grooms will tack and untack your horse. However, you are welcome to assist in untaking and washing off the horses.

TRIP CONDITIONS AND REQUESTED EXPERIENCE

There are no requirements, but you must be in good physical condition and have a good basic knowledge of dressage to get the most out of the lessons.

EQUESTRIAN EQUIPMENT

Helmets are obligatory and we strongly recommend bringing your own.

You will be provided with:

Dressage saddle

Simple and double bridles or bits

Blunt spurs

Dressage aids.

TRAVEL INFO

COMFORT

You will stay in a charming 4 star hotel in the heart of Carmona, in double or twin rooms. There are ensuite bathrooms and towels are provided. The hotel has a restaurant, a tapas bar and an Irish bar, as well as a swimming pool and patio areas. In the town of Carmona there are many restaurants to choose from - simple tapas to silver service - or you can choose to eat at the hotel or use their room service.

During the day, at the riding centres hacienda, there is a swimming pool (towels will be provided), a relaxing lounge and outdoor seating areas. You will have lunch in their dining room each day.

Please note: Epona has good Wi-fi service, however at the hotel the connection is limited.

MEALS

Breakfast is continental and dinner is had all together, buffet style, at the hacienda. Apart from the first evening where you will enjoy a buffet dinner with your host Fernando, dinners are not included. You may choose to eat in the restaurant at the hotel or in local restaurants.

CLIMATE

Situated in southern Spain, not far from the African continent, Seville enjoys a Mediterranean climate. Being set inland from the sea, in the vast Guadalquivir plain, this allows for relatively mild and clement weather all year long.

The average yearly temperature is around 19.2 °C.

Seville's summers can be long and scorching with average temperatures often over 25 °C from May to October; with a record high of 46.6 °C. The temperatures peak between June and September with the temperature routinely reaching/ or topping 30 °C.

TIPS

It is customary to leave a tip in restaurants in Spain. Around 10% of the bill is the standard, although it is often include – so do check. Tipping both in restaurants and to the team at the hacienda rests at your discretion.

We suggest two alternatives when you leave a tip. You can hand out the chosen amount personally to the staff member or members to whom you wish to show your appreciation, or you can put a general amount in an envelope and hand it to a member of the Garcia family (preferably Vivi), to be divided up equally, or according to your specifications, among the staff. Please do not give tips to be divided, to any members of staff, to avoid confusion and sometimes problems among the staff.

PACKING LIST

In Spring, Autumn and especially in the summer months, it can get very hot, so to avoid feeling sweaty and sticky all the time, try to choose natural fabrics, especially cotton. Dress at Epona is very casual, even for the visits, jeans and T-shirts or a summery dress, are fine. For emergencies at the hotel there is a laundry service.

Head

- Helmets are mandatory in Spain and at Epona this is enforced. Helmet makers (GPA, HKM, LAS Helmets, Lamicell, Troxel, Equithème) now offer horse-riding helmets that are ventilated, strong, light and comfortable.
- Sunhat: cap for when not riding
- Sunglasses - with a cord attached so they don't fly off when riding

Upper Body

Weather can change so we recommend bringing tops you can wear in layers, T-shirts, sweatshirts and vests etc.

- Half or long-sleeved cotton shirts (to provide protection from the sun) or T-shirt in a quick-drying material
- A lightweight fleece or jumper
- A swimsuit
- If coming in winter, autumn or spring, a light shower jacket (the kind you can fold up into a little ball)

Legs

- 2 pairs of jodhpurs or riding trousers
- 1 pair of casual trousers (tracksuit bottoms, leggings or jeans)
- Cotton or synthetic underwear (non-irritant)

Hands and feet

- Short jodhpur boots and half chaps are the best option as they are much cooler and easier to transport, but if you are used to riding in your long boots and want to wear them it is fine.
- Lightweight shoes, sandals or trainers for the evenings
- Several pairs of socks
- Gloves - as you will be riding the horse on the bit requiring a good contact along with the warmer conditions, blisters can develop which will definitely spoil your enjoyment of the riding for the rest of the week.

Other useful items

- Toiletries
- Small medical kit
- Sunscreen and lip balm - should be high factor (at least 30+)
- Insect repellent
- Any medication you regularly take
- Blister plasters in case of any rubs
- Antiseptic cream, plasters, aspirin, anti-histamine, insect-bite salve etc..

General information

- The airline allows only one bag to be checked-in per passenger. Make sure it weighs no more than 20kg; if it exceeds this weight, you will have to pay excess luggage fees at check-in
- Hand luggage is limited to 7kg (measuring 56 cm x 45 cm x 25 cm), it mustn't contain any sharp objects (knives, scissors, nail file or nail scissors, etc.) and the quantity of liquid allowed per passenger is limited to 100ml per container.

In your hold luggage

- Any liquids, such as shampoo, moisturiser, deodorant over 100ml and all bottles can be decanted into small, clear, plastic ziplock bags. We recommend biodegradable washing products where possible.
- We recommend taking a copy of your passport and insurance documents with you in case you lose your originals
- In your hand luggage carry any valuables, such as your camera, ipod, ipad etc.
- Travelling in your riding boots and carrying your hat and some riding clothes is highly recommended - then if your luggage goes astray you are still able to ride!

SUSTAINABLE TOURISM

1. **Travel light.** It's a little known fact, but the lighter you pack, the better for the environment as heavy bags will produce higher emissions (when flying a plane or driving a car!).
2. **Reduce plastic waste.** Take your favorite reusable bottle with you. Avoid single-use bags, cups, or straws.
3. **Preserve nature.** Always take your rubbish with you during the ride and recycle them. Leave all the flowers or plants as you found them, and never

get too close when observing wildlife. Make sure to use eco-friendly products such as body wash or laundry detergent (if camping) to protect both your skin and the environment.

4. **Choose your experiences carefully.** Respect animal life by not participating in any activities that abuse wild animals (shows, elephant rides, etc.).
5. **Support local populations.** Buy local handicrafts, be respectful of customs, and learn about the culture of local communities.
6. **Share!** Raise awareness among your family and friends about sustainable tourism.
