On arrival at the airport, you will be driven to the Ranch (approx. 15 min drive). You have time to settle and explore your cabin before meeting with your hosts and other guests over dinner.

Day 2 — 2 : RANCH - 2-5 hrs riding

Three Bars Ranch

After a copious breakfast, the staff will be waiting for you at the stables to introduce you to the horses. The stable manager will be sure to find the perfect horse for you, matching your riding abilities and expectations. Your horse will be yours for the duration of the stay (unless you'd prefer to change), giving you the opportunity to build a relationship with him.

In the morning, the wranglers bring the horses in from the pastures. After a morning in the saddle, you get back to the Ranch for lunch before heading out on your afternoon ride. Back at the Ranch in the afternoon where you may choose to relax with a beer at the saloon or at the spa.

IMPORTANT: Both the above and the following programme is provided as a guide, it is by no means exhaustive but reflects all of the activities in which you are able to participate.

Day 3 — 3 : RANCH - 2-5 hrs riding

 Three Bars Ranch

After breakfast, you meet with your horse again for another trail ride across the beautiful countryside. Now that the wranglers know you better, the rhythm will be a bit more pacy for those who want to. The Ranch is located between the mountains and the St Mary river, and the scenery is truly stunning! Back to the ranch in the afternoon for dinner and a good night's sleep.

Day 4 — 4 : RANCH - 2-5 hrs riding

 Three Bars Ranch

You may choose to go on another trail ride this morning or to enjoy other activities at the Ranch: the choice is yours. Families can ask for specific rides and children can choose to ride or to discover life on a ranch with educational activities (mini-farm). At the end of the day, enjoy some time off to relax around the pool before a BBQ dinner.

Day 5 — 5 : RANCH - 2-5 hrs riding

 Three Bars Ranch

The mountains are calling and are waiting to be explored on horseback! Depending on each group's preferences, you may ride into the mountains across the plateau or the river banks. After lunch, you are welcome to go on another ride or try your hand at fly-fishing, archery, or shooting.

Day 6 — 6 : RANCH - 2-5 hrs riding

 Three Bars Ranch

Today is your last day on the Ranch. Today's ride may take you to the pine forests to discover the local wildlife and remarkable ecosystem. Lunch at the Ranch before your last trail ride in Canada. This evening, after dinner, a bonfire will be lit to enjoy smores and toasted marshmallows.

SUSTAINABLE TOURISM

1. **Travel light** . It's a little known fact, but the lighter you pack, the better for the environment as heavy bags will produce higher emissions (when flying a plane or driving a car!).

2. **Reduce plastic waste.** Take your favorite reusable bottle with you. Avoid single-use bags, cups, or straws.
3. **Preserve nature.** Always take your rubbish with you during the ride and recycle them. Leave all the flowers or plants as you found them, and never get too close when observing wildlife. Make sure to use eco-friendly products such as body wash or laundry detergent (if camping) to protect both your skin and the environment.
4. **Choose your experiences carefully.** Respect animal life by not participating in any activities that abuse wild animals (shows, elephant rides, etc.).
5. **Support local populations.** Buy local handicrafts, be respectful of customs, and learn about the culture of local communities.
6. **Share!** Raise awareness among your family and friends about sustainable tourism.
