ITINERARY

Highlights

- Many riding and non-riding activities are available, to make sure everyone has a great time.
- A beautiful Arizona ranch where winters are warm, with a pool, sauna and hot tub.
- The trails are in groups of similar ability: relaxing treks for novice riders and more active trails for advanced riders.
- The real "Far West" scenery, with canyons and cactii left and right!

Day 1 — 1 : EUROPE - TUCSON

White Stallion Ranch

Flight to Tucson, AZ. There are currently no direct flights from the UK but you can fly with just one connection. If your flight times allow it, your transfer to the ranch is included from the airport. Dinner and overnight at the Ranch.

Please note you can arrive and depart any day you like, however we advise you arrive on the Sunday, where there is no riding (day off for the horses and wranglers).

Day 2 — 2 : RANCH - 1-7 hours riding

White Stallion Ranch

First day on the ranch, with a relaxing ride to explore the beautiful landscape around the ranch. Non-riders can enjoy the pool, sauna or hot tub. A fitness centre is available; and you can also play tennis, volleyball, basketball, badminton or paddle tennis, or rent e-bikes.

After a busy first day at the Ranch, enjoy a lovely dinner al fresco, and perhaps have a drink around the bonfire.

IMPORTANT : the following itinerary is just an example - the actual itinerary is flexible and will depend on your preferences and those of the group.

Not included: riding lessons in the arena (mandatory for beginner riders who want to ride out), massages, etc.

Day 3 — 3 : RANCH - 1-7 hours riding

 White Stallion Ranch

Today, experienced riders may like to go on a full day ride: you can expect up to 35 km and 7 hours in the saddle! Your lunch will be served in the Saguaro National Park, renowned for its canyons, arid landscape and gigantic cactii. You ride back to the ranch in the afternoon - the pool will surely seem like a very appealing option...

Non-riders can choose to go on a hike. There are many trails around the Ranch.

Dinner and overnight at the Ranch.

Day 4 — 4 : RANCH - 1-7 hours riding

 White Stallion Ranch

After a hearty breakfast, get back in the saddle for another beautiful trail ride in the Arizona scenery. You can choose to head towards the mountains, less experienced riders can enjoy a relaxing trek, and advanced riders can go for one of the Ranch's "fast rides" to pick up the pace!

Back to the ranch for lunch. In the afternoon, you may like to go on a sunset "hay ride" (in the summer only and if weather conditions allow), or attend the rodeo organised by the Ranch - team roping, barrel racing... This is Ranch life as it should be!

Day 5 — 5 : RANCH - 1-7 hours riding

 White Stallion Ranch

Why not discover another part of the wranglers' world today? You can try your hand at team penning, that is very popular in the USA. This team activity consists of separating cattle into different pens. It's fast, fun, and typically Western!

Day 6 — 6 : RANCH - 1-7 hours riding

 White Stallion Ranch

For those who wish to, the region offers many other activities (not included in your package): abseiling, hot air balloon flights, 4x4 drives, golf, etc.

Day 7 — 7 : TUCSON - EUROPE

Last breakfast at the Ranch. Depending on your flight times, transfer to the airport and overnight flight to Europe.

We can also organise an extension to the West - Grand Canyon, Lake Powell, Bryce Canyon or Monument Valley. Please contact us for details.

Day 8 — 8 : EUROPE

Arrive back in Europe.

Minimum riding ability

MINIMUM RIDING ABILITY

No specific level is required, and this trip is open to beginners and more advanced riders alike.

Please note that beginner riders will be asked to have a lesson in the arena before they are allowed out on the trails. This lesson is not included and is \$20 for one hour.

Rider weight limit: 115 kg, 18st, 250 lbs.

PACE

The main pace of the trail is the walk. The pace and technicality of the trail will be decided depending on each rider's ability. There are "fast rides" with frequent canters for advanced riders.

TACKING ABILITY AND PARTICIPATION

You can help get your horse ready, but the team of wranglers will be happy to help or do it for you.

TRIP CONDITIONS AND REQUESTED EXPERIENCE

No specific requirements, but reasonable levels of fitness are required for those looking to take part in riding or physical activities.

EQUESTRIAN EQUIPMENT

Western tack

We recommend our riders to wear a helmet to the correct standard and you should bring your own to ensure a proper fit.

COMFORT

The Ranch has 43 rooms and a private hacienda (5 rooms) for private use. Our rates are for a standard room with one double bed and one single bed, en-suite. Deluxe rooms (up to 4 people) can also be booked. Each room has a fridge, hairdryer, safe, and iPod station. Pool, sauna and hot tub available. No TV in the rooms. A/C in all rooms.

MEALS

A la carte breakfast and continental buffet.

Lunch is salads, sandwiches, biscuits and fresh fruit.

Dinner is usually family style with a BBQ or buffet and an assortment of sides and desserts.

A buffet with snacks and drinks (hot drink/lemonade) is available during the day.

All meals are taken at the ranch except on full day rides (picnic lunch).

CLIMATE

Tucson has a desert climate and there can be an important temperature gap with day and night. Spring and summer can be extremely hot, especially in July, and you may experience showers. The riding activities are adapted in the summer with early starts and sunset rides to avoid the heat of the day.

TIPS

Tipping is an institution in the United States. In all restaurants - except certain snack bars with self-service -, it is expected that you leave around a 10 - 12% tip. Certain tourist hotspots will also add a service charge.

It's also considered 'good manners' to leave a 1 to 2\$ supplementary tip to taxi drivers.

Regarding tips made to the team at the ranch, it is customary to give them to the lead cowboy who will then share it out amongst the rest of the team.

SUSTAINABLE TOURISM

1. **Travel light.** It's a little known fact, but the lighter you pack, the better for the environment as heavy bags will produce higher emissions (when flying a plane or driving a car!).
2. **Reduce plastic waste.** Take your favorite reusable bottle with you. Avoid single-use bags, cups, or straws.
3. **Preserve nature.** Always take your rubbish with you during the ride and recycle them. Leave all the flowers or plants as you found them, and never get too close when observing wildlife. Make sure to use eco-friendly products such as body wash or laundry detergent (if camping) to protect both your skin and the environment.
4. **Choose your experiences carefully.** Respect animal life by not participating in any activities that abuse wild animals (shows, elephant rides, etc.).
5. **Support local populations.** Buy local handicrafts, be respectful of customs, and learn about the culture of local communities.
6. **Share!** Raise awareness among your family and friends about sustainable tourism.
