ITINERARY

Highlights

- A beautiful riding centre in the West of Ireland and the gateway to Connemara.
- Lovely local trails with the option to engage in other activities - hiking, cycling, fishing etc.
- Delicious organic food and sustainable accommodation options.
- A family-run equestrian centre committed to producing minimal environmental impact.

Day 1 — 1 : ARRIVE IN LOUGHREA

Slieve Aughty Eco-Lodge

Arrival and departure day is Saturday. The closest airport is Shannon airport, but you can also fly to Dublin or Cork (international airports). From there, you can rent a car or use public transportation to get to Loughrea, Co. Galway, where we can arrange your transfer to the riding centre. Please contact us for details.

New guests have time to settle into their accommodations, meet other guests, visit the horses, and relax after their journey. In the evening, you will have your first dinner at the Lodge. All ingredients are purchased from organic sellers or grown right there in the centre's beautiful garden.

Overnight at the lodge.

Day 2 — 2 : SLIEVE AUGHTY CENTRE - Approx. 2 hours riding

Slieve Aughty Eco-Lodge

Sunday is a relaxing day, beginning with a late breakfast. At 12:00 guests and staff introduce themselves, tour the stables and guest buildings, meet the

horses. It is a good time to ask questions! In the afternoon, it is time for your first ride to explore the surrounding area. Each rider prepares his or her own horse. This introductory ride is an easy two hour trek through the forest to get to know the horses and the countryside.

Important: Children will be looked after by the staff while the adults enjoy their extra riding time (pony painting, arts and crafts, stable management, etc).

Day 3 — 3 : SLIEVE AUGHTY CENTRE - Approx. 3 hours riding

 Slieve Aughty Eco-Lodge

On Monday morning, the weekly routine begins. The board outside the locker room is updated daily with the riding plan and can be checked to find out what horse or pony guests are assigned for the day.

Day 4 — 4 : SLIEVE AUGHTY CENTRE - Approx. 3 hours riding

 Slieve Aughty Eco-Lodge

Upon arrival at the stable after breakfast, guests go riding, or have free time, depending on their individual schedule. Riding is normally a trek. For those who wish to shake up the routine a little, one lesson will be scheduled within the week, and natural horsemanship or other activities are often offered in place of treks if guests wish to do something different.

Day 5 — 5 : SLIEVE AUGHTY CENTRE - Approx. 3 hours riding

 Slieve Aughty Eco-Lodge

The riding centre is surrounded by more than 2,000 acres of forestry and quiet country lanes. On your trail rides, you will pass under the shelter of tall trees, through gentle flowing streams, and over scenic country roads, each day exploring different areas on horseback.

Day 6 — 6 : SLIEVE AUGHTY CENTRE - Approx. 3 hours riding

 Slieve Aughty Eco-Lodge

Each week, the centre organises a day ride. This is lovely ride through some of Ireland's most beautiful countryside. The ride begins at 12:00 and arrives at a lush field where riders and horses rest and have a delicious picnic lunch. You will ride back to the centre for around 18:00, on time for a shower and dinner.

Day 7 — 7 : SLIEVE AUGHTY CENTRE - No riding

 Slieve Aughty Eco-Lodge

On Friday, there is an additional option to take advantage of the local bus to nearby Galway, a lively coastal city on Ireland's west coast. Typically the bus leaves from Loughrea at 12:30 and returns at 19:00 for the Friday evening Pizza Party. The bus fare to Galway and lunch are not included in the riding holiday programme and are therefore at own cost. Of course, guests with their own transportation can take a day off riding anytime to go on a tour of Connemara, the Cliffs of Moher, The Burren, Aran Islands, Bunratty Castle, etc. The team will be happy to advise about nearby "must sees".

Day 8 — 8 : DEPARTURE FROM LOUGHREA

You will be taken back to the station in Loughrea after breakfast.

TIPS

PACKING LIST

Head

- Helmets are mandatory. Your riding hat must comply with the official regulations (fixed peaks are not acceptable when cross-country jumping).

Upper Body

The weather can be very unpredictable in Ireland so we recommend bringing tops you can wear in layers, T-shirts, sweatshirts and vests etc.

- Body protector (if jumping)
- Half or long-sleeved cotton shirts (to provide protection from the sun) or T-shirt in a quick-drying material
- A light raincoat that you are comfortable in
- A lightweight fleece or jumper
- A swimsuit

Legs

- 2 pairs of jodhpurs or riding trousers
- 1-2 pairs of trousers suitable for dinner at the Conor's bar
- Cotton or synthetic underwear (non-irritant)

Hands and feet

- Short jodhpur boots and half chaps are the best option as they are much cooler and easier to transport, but if you are used to riding in your long boots and want to wear them this is fine.
- Lightweight shoes for the evenings
- Several pairs of socks
- Gloves

Other useful items

- Toiletries
- Small medical kit
- Sunscreen and lip balm - should be high factor (at least 30+)
- Insect repellent
- Any medication you regularly take
- Blister plasters in case of any rubs
- Antiseptic cream, plasters, aspirin, anti-histamine, insect-bite salve etc..

Our Recommendations

- We recommend taking a copy of your passport and insurance documents with you in case you lose your originals
- Backpacks cannot be worn whilst riding. We recommend a small bum bag or a coat with pockets so that you can carry small items with you during the day (passport, camera, sunscreen, lip balm etc)
- Any liquids in your hold luggage, such as shampoo, moisturizer, over 100ml should be decanted into small, clear, plastic ziplock bag. We recommend biodegradable washing products where possible.
- In your hand luggage take any valuables, such as your camera, ipod, ipad etc.
- Travelling in your boots/ hiking shoes and carrying your hat and some riding clothes in your hand luggage is highly recommended - then if your luggage goes astray you are still able to ride!

1. **Travel light.** It's a little known fact, but the lighter you pack, the better for the environment as heavy bags will produce higher emissions (when flying a plane or driving a car!).
2. **Reduce plastic waste.** Take your favorite reusable bottle with you. Avoid single-use bags, cups, or straws.
3. **Preserve nature.** Always take your rubbish with you during the ride and recycle them. Leave all the flowers or plants as you found them, and never get too close when observing wildlife. Make sure to use eco-friendly products such as body wash or laundry detergent (if camping) to protect both your skin and the environment.
4. **Choose your experiences carefully.** Respect animal life by not participating in any activities that abuse wild animals (shows, elephant rides, etc.).
5. **Support local populations.** Buy local handicrafts, be respectful of customs, and learn about the culture of local communities.
6. **Share!** Raise awareness among your family and friends about sustainable tourism.
