The climate in Poland is continental, with very cold winters, often below freezing, and warm summers. June, July and August can be quite hot, September and October being dry and cooler. Galiny is located along the northern coast, where the climate is milder, but you should expect snow from December to February (thankfully, one of the indoor schools is heated!).

## TIPS

- Gloves - your hands are particularly exposed to the sun, wind or rain whilst riding

### Other useful items

### Our Recommendations

- Backpacks cannot be worn whilst riding. We recommend a small bumbag or a coat with pockets so that you can carry small items with you during the day (camera, sunscreen, lip balm etc)
- A soothing cream may be useful to treat areas irritated by long hours in the saddle
- We recommend travelling in your riding boots and carrying your hat and some riding clothes in your hand luggage - then if your luggage goes astray you are still able to ride!
- Keep a copy of your passport and insurance details with you.

In your hold luggage

- Any liquids, such as shampoo, moisturiser, deodorant over 100 ml and all bottles can be decanted into small, clear, plastic Ziplock bags. We recommend biodegradable washing products where possible.

- We recommend taking a copy of your passport and insurance documents with you in case you lose your originals

- In your hand luggage carry any valuables, such as your camera, ipod, ipad etc.

## SUSTAINABLE TOURISM

1. **Travel light.** It's a little known fact, but the lighter you pack, the better for the environment as heavy bags will produce higher emissions (when flying a plane or driving a car!).
2. **Reduce plastic waste.** Take your favorite reusable bottle with you. Avoid single-use bags, cups, or straws.
3. **Preserve nature.** Always take your rubbish with you during the ride and recycle them. Leave all the flowers or plants as you found them, and never get too close when observing wildlife. Make sure to use eco-friendly products such as body wash or laundry detergent (if camping) to protect both your skin and the environment.
4. **Choose your experiences carefully.** Respect animal life by not participating in any activities that abuse wild animals (shows, elephant rides, etc.).
5. **Support local populations.** Buy local handicrafts, be respectful of customs, and learn about the culture of local communities.
6. **Share!** Raise awareness among your family and friends about sustainable tourism.
