Day 1 — 1: Home – Split - No riding

International flight to Split (flights are not included, but can be booked upon request). Transfer to the ranch (50 min) where you can get to know the other riders, and the staff. Before dinner, you may enjoy a glass of wine from the ranch’s own vineyard!

Note: Transfers are not included but can be arranged, please check the “dates and prices” section to know more.

Day 2 — 2: Introductory Ride - Approx. 3-4 hours riding

After a lovely breakfast, you will be matched with your horse and get out on your first ride. Enjoy your first exhilarating canters in the fields of Sinj. Return to the ranch where lunch will be waiting for you. Spend the rest of the day relaxing, or getting acquainted with the surrounding area. If you are interested in visiting the town of Sinj and the remains of the fortress of Grad, this would be a good opportunity to do so.

Day 3 — 3: River Cetina & Lake Peruca - Approx. 5-6 hours riding

Today, ride through the beautiful fields up to the river Cetina where you can enjoy a long canter and perhaps pick up the pace a bit! Lunch will be served by the river. Continue to ride on rolling hillsides to the plateau "Bitelic", and enjoy the view of the mountains Dinara and Svilaja. Take an old Roman pathway that will take you through an old stone village called "Vucipolje". Eventually, you will reach lake Peruca. The horses stay here and you get back to the ranch by car (20 minute journey).

Day 4 — 4: Town of Vrlika - Approx. 6 hours riding

After a relaxing night, pack up your bag for the next three nights and you will then be driven back to the lake. After getting your horse for the day, you will follow the water's edge of lake Peruca. Along this trail you will have the opportunity to enjoy some fast paces and cool off in the river before getting ready for lunch. Continue your trail ride across the river, and through open fields where you can canter freely. Arrive to a little Croatian town called Vrlika. Overnite at a family home, where you will be treated to an absolute feast from your hosts' own garden!

Day 5 — 5: Mountainous Trail - Approx. 6 hours riding

Start the morning climbing up the mountains through the village of Maovice. Once you get to the top, enjoy the breathtaking and panoramic view. After a quick break, start the descent to the foot of the mountain. After lunch, the pace will pick up as you trot, canter, and gallop through the vineyards to the town of Drnis. Untack your horse and you will then jump in the bus for a short transfer to your guesthouse/agriturismo for the night.

Day 6 — 6: Visovac Island - Approx. 3 hours riding

After breakfast, make your way to the Krka National Park. This is a slower ride today, as the terrain is quite hard on the horses. You will ride back to the guesthouse where the horses will stay today, and enjoy lunch there. A short transfer to Krka river where you can take a boat tour to the island of Visovac, home to the Monastery of Our Lady of Mercy. This monastery holds a very important archaeological collection of historical vessels, and numerous historical manuscripts and books. Continue the tour to see "Roski Slap", where you will be able to swim in the river, and marvel at the beautiful waterfalls. Get back to Bristane and enjoy dinner and a glass of wine!

Day 7 — 7: Cikola Canyon & Krka National Park - Approx. 5 hours riding

An early start today as you continue your trail riding holiday towards the Canyon of the Cikola river. The canyon is one of the most beautiful places in the National Park. As you make your way, you will see the river entering the Visovac Lake surrounded by enormous cliffs, rich in colourful fauna. Make your way down into the canyon, until reaching the Cikola river crossing. After lunch break, carry on riding through the villages of Goris and Konjevrate, until you arrive at the entrance of the National Park Krka, called "Skradinski Buk". This will be the end of the riding day and after untacking the horses, transfer back to the ranch.

You will still have time to visit "Skradinski Buk" – the longest series of waterfalls on the Krka River. These waterfalls have many islands, and lakes which can be looked at freely thanks to a network of paths and bridges. Transfer back to the ranch (approx. 1h)

Day 8 — 8: Split - Home - No riding

After a lovely breakfast you'll be transferred to the Split Airport in time for your flight back home and we say our farewells.

Note: Transfers are not included but can be arranged, please check the "dates and prices" section to know more.

SUSTAINABLE TOURISM

1. **Travel light.** It's a little known fact, but the lighter you pack, the better for the environment as heavy bags will produce higher emissions (when flying a plane or driving a car!).
2. **Reduce plastic waste.** Take your favorite reusable bottle with you. Avoid single-use bags, cups, or straws.
3. **Preserve nature.** Always take your rubbish with you during the ride and recycle them. Leave all the flowers or plants as you found them, and never get too close when observing wildlife. Make sure to use eco-friendly products such as body wash or laundry detergent (if camping) to protect both your skin and the environment.
4. **Choose your experiences carefully.** Respect animal life by not participating in any activities that abuse wild animals (shows, elephant rides, etc.).
5. **Support local populations.** Buy local handicrafts, be respectful of customs, and learn about the culture of local communities.
6. **Share!** Raise awareness among your family and friends about sustainable tourism.
