### ITINERARY

## Highlights

- Explore the Wye Valley in the Welsh/English border and enjoy unbeatable views of the Black Mountains and Radnor Hills.
- Enjoy some of the best riding in the UK: you ride over miles of grassy tracks, open hills, and old green lanes providing unhindered riding.
- Stay in quirky, characterful, family-run establishments that offer a warm welcome to trail riders and a taste of the Welsh hospitality!

## Day 1 — 1: ARRIVAL IN CLYRO - Approx. 4-5 hours riding

We recommend international travellers to travel a day before the start of the ride, flying to London or Birmingham: from there you can rent a car or take a train to Hereford, where a taxi can be arranged. It is possible to arrive a day early and spend the night locally in Hay-on-Wye (not included).

Arrive at the stables at 9am to meet your guide, and fellow riders. After being matched with your horse, prepare your saddle bag and leave for the start of your holiday.

Wind through old country lanes that will lead you to the rolling green hill of the Begwns. Continue through grassy tracks, passing the “Roundabout”, an unusual landmark honouring Queen Victoria’s Diamond Jubilee. Take a break to enjoy a picnic-style lunch while surrounded by the beautiful hills of the Wye Valley. Drop down into the valley before climbing onto Llanbedr hill. On this trail you may spot wild Welsh Mountain ponies around the hills. Overnight at a B&B.

## Day 2 — 2: OFFA’S DYKE TRAIL - Approx. 5-6 hours riding

After a hearty Welsh breakfast, you will canter your way across Newchurch Hill before following part of the Offa’s Dyke trail across Disgwylfa Hill. Stop for a lunch break. Afterwards, enjoy the panoramic views atop Hergest Ridge. On the top of the ridge, there is an abandoned racecourse where you can enjoy a good canter.

Pass the “Whet Stone” a traditional gathering point, before heading to your accommodation for the night.

## Day 3 — 3: BURL HILL - BRYNGWYN HILL - Approx. 6-7 hours riding

Today, you will follow the old country lanes across the remote Burl Hill. Pass the remains of Black Yatt, an old farmhouse built in the 18th century. Continue to ride the old track to cross Bryngwyn Hill before riding through the hamlet of Painscastle, where one of the biggest battles of Welsh History took place.

Head back to stables, where a hot cup of tea awaits before departing in the late afternoon - around 5 pm.

## Guide & local team

All guides are full time, and have an extensive knowledge of the horses, routes and hills. They are relaxed, friendly and professional.

You are required to groom, tack and untack your own horse during the holiday. You are also welcome to help with feeding and watering the horses if you wish.

### TRIP CONDITIONS AND REQUESTED EXPERIENCE

You will be in the saddle for long hours each day, so riders must have a good level of fitness, even though the pace of the ride is relaxed. There are

also points along the route where it is necessary to dismount and walk with your horse, such as steep down hill tracks which may be loose underfoot. A back up vehicle will carry your luggage from one place to the next.

## **EQUESTRIAN EQUIPMENT**

Each horse has its own individually fitted English tack, customised and fitted professionally to each horse. All horses are ridden in simple snaffle bits. Saddlebags are provided to carry personal items and your picnic lunches.

We recommend our riders to wear a helmet to the correct standard and you should bring your own to ensure a proper fit.

## SUSTAINABLE TOURISM

1. **Travel light.** It's a little known fact, but the lighter you pack, the better for the environment as heavy bags will produce higher emissions (when flying a plane or driving a car!).
2. **Reduce plastic waste.** Take your favorite reusable bottle with you. Avoid single-use bags, cups, or straws.
3. **Preserve nature.** Always take your rubbish with you during the ride and recycle them. Leave all the flowers or plants as you found them, and never get too close when observing wildlife. Make sure to use eco-friendly products such as body wash or laundry detergent (if camping) to protect both your skin and the environment.
4. **Choose your experiences carefully.** Respect animal life by not participating in any activities that abuse wild animals (shows, elephant rides, etc.).
5. **Support local populations.** Buy local handicrafts, be respectful of customs, and learn about the culture of local communities.
6. **Share!** Raise awareness among your family and friends about sustainable tourism.
