Highlights

- The ride is guided by owner Emilio and all logistics are operated by his wife Mamen. They are the heart and soul of this holiday and always go above and beyond for their guests
- Ride across the ever-changing scenery of the Sierra de Gredos, a mountain range in central Spain known for its pristine rivers and beautiful meadows.

Day 1 — 1: HOME - MADRID-NAVARREDONDA DE GREDOS

Fly to Madrid – flights are not included but can be booked on request.

Your guide will meet you at Madrid airport (please see dates and prices for transfer times). Transfer to Navarredonda de Gredos, a 2 hours drive with a break in Avila town for a short visit. Avila is an amazing walled medieval town and a UNESCO World Heritage Site – a first taste of what is to come! Enjoy your welcome dinner at the hotel with the guides in Navarredonda de Gredos, a quaint mountain village (1,600 m) with beautiful views of the highest peaks in Sierra de Gredos.

Day 2 — 2: NAVARREDONDA DE GREDOS-NAVACEPEDA DE TORMES - 4 hours riding

Today is a shorter day, as you get used to the horses and get to know the team. You will ride through the Tormes valley and its pine forest and open fields, enjoying great views of Gredos Mountains. Lunch will be at fisherman's hut with an excellent home-cooked paella beside the river Tormes (for those travelling in the summer, it will be possible to go for a swim). After lunch and a siesta, you will join the afternoon ride to Navacepeda de Tormes. Night and dinner at a local hotel.

Day 3 — 3: NAVACEPEDA DE TORMES-BARCO DE AVILA - 6-7 hours riding

The longest day in the saddle enjoying the most beautiful views of the Gredos Mountains! You will ride down the valley, through the small and remote

medieval villages dotting the area. Lunch at Aliseda de Tormes, beside the Tormes river and its medieval bridge. In the afternoon, you will ride across the wide valley, enjoying different landscapes with steady trots and canters to El Barco de Ávila. You will then ride over the river Tormes, using the Roman bridge in El Barco de Avila, a 12th century village. Night and dinner at a 4* hotel.

Day 4 — 4: EL BARCO DE AVILA-HOYORREDONDO - 6 hours riding

Another day on horseback in Spain! Today will reach the province of Salamanca, a beautiful flat and dry area, with incredible granite formations. It is a very rural region, and you will see many stone walls and farmers riding donkeys. The landscape today changes again, and you will ride through holm oak woods and pastures. You will arrive at Puente del Congosto, another medieval village with a 15th century bridge and Castle. Picnic today is a lovely affair near the river, in a very beautiful spot for swimming in summer! In the afternoon, you will ride to Hoyorredondo where you'll spend the night. Night and dinner at a charming rural inn, La Trocha de Hoyorredondo – you can see the horses grazing from your bedroom window!

Day 5 — 5: HOYORREDONDO-NAVACEPEDILLA DE CORNEJA - 6 hours

Enjoy some lovely trots and canters in the morning as you ride across the flat and open Corneja River Valley to Bonilla de la Sierra, a medieval town with a beautiful church. Lunch today will be a BBQ outside town.
In the afternoon you will make your way back to the mountains. Night and dinner at a hotel in Navacedilla de Corneja

Day 6 — 6: NAVACEPEDILLA-NAVARREDONDA - 5-6 hours riding

A gorgeous mountain ride today that will take you through 3 different valleys. In the morning you will ride to the highest point of the ride, Puerto de Chía (1,800 m), with a magnificent view of the Corneja river valley behind you, and the Alberche river valley ahead. Lunch at San Martin de la Vega with views of the Gredos Mountains. After lunch you will cross the Alberche river and continue to Tormes River valley until you reach the stables. Night and farewell dinner at the hotel in Navarredonda de Gredos.

EQUESTRIAN INFO

Horses

All of Emilio’s and Mamen’s horses are excellent PRE or Hispano-arabs. They are homebred and have an excellent life at home with them: they are part of their family and well looked after. They are personally trained by Emilio who shapes them to be good-natured and easy to ride.

Guide & local team

All the trails are personally led by owner Emilio. Emilio is an excellent guide and native to the area (he was born in Barco de Avila, home the “Castles of Gredos” ride). He is a qualified riding instructor and equestrian guide, with over 30 year’s experience! He takes great pride in his herd and has a special bond with each of his horses – he has bred many of them himself in his home, and makes sure they are trained to very high standards. His partner Mamen is in charge of the logistics and is a delightful lady, always attentive to the happiness of her guests. Their Border Collie “Brasas” accompanies most of the rides!

Minimum riding ability

MINIMUM RIDING ABILITY

Rider weight limit: 90 kilos / 14,1 st / 198 lbs

PACE

The riding is relaxed with all three paces possible (walk, trot, canter), but this is not a fast ride. The pace is overall moderate, allowing guests to take in the scenery and enjoy Emilio’s stories!

TACKING ABILITY AND PARTICIPATION

You are not expected to help with grooming/tacking-up, however this is possible should you wish to be involved.

TRIP CONDITIONS AND REQUESTED EXPERIENCE

The riding is moderate and very safe, ideal for intermediate + riders looking for a more relaxing experience on well-behaved horses. Please note that the riding hours are however long (from four to seven hours every day) and you should therefore be riding fit and a confident rider.

EQUESTRIAN EQUIPMENT

Quality English saddles and tack with silicon seat savers and small saddle bags.
We recommend our riders to wear a helmet to the correct standard and you should bring your own to ensure a proper fit.

SUSTAINABLE TOURISM

1. **Travel light.** It's a little known fact, but the lighter you pack, the better for the environment as heavy bags will produce higher emissions (when flying a plane or driving a car!).
2. **Reduce plastic waste.** Take your favorite reusable bottle with you. Avoid single-use bags, cups, or straws.
3. **Preserve nature.** Always take your rubbish with you during the ride and recycle them. Leave all the flowers or plants as you found them, and never get too close when observing wildlife. Make sure to use eco-friendly products such as body wash or laundry detergent (if camping) to protect both your skin and the environment.
4. **Choose your experiences carefully.** Respect animal life by not participating in any activities that abuse wild animals (shows, elephant rides, etc.).
5. **Support local populations.** Buy local handicrafts, be respectful of customs, and learn about the culture of local communities.
6. **Share!** Raise awareness among your family and friends about sustainable tourism.
