CLIMATE

In spring and early summer, temperatures are pleasant (20-25°C). This is a great time to enjoy the spring flowers in full bloom. Summer may get rather hot (especially July/August). Riding hours during these months are often adjusted to avoid the afternoon heat. Autumn is a nice season to visit and enjoy the beautiful fall colours (average temperature of 18°C). The winter is somewhat unpredictable though there is usually a good chance of snow in January/February.

TIPS

Tipping is common in Romania. We suggest around €40 for the staff for a one-week stay.

SUSTAINABLE TOURISM

1. Travel light. It's a little known fact, but the lighter you pack, the better for the environment as heavy bags will produce higher emissions (when flying a plane or driving a car!).
2. Reduce plastic waste. Take your favorite reusable bottle with you. Avoid single-use bags, cups, or straws.
3. Preserve nature. Always take your rubbish with you during the ride and recycle them. Leave all the flowers or plants as you found them, and never get too close when observing wildlife. Make sure to use eco-friendly products such as body wash or laundry detergent (if camping) to protect both your skin and the environment.
4. Choose your experiences carefully. Respect animal life by not participating in any activities that abuse wild animals (shows, elephant rides, etc.).
5. Support local populations. Buy local handicrafts, be respectful of customs, and learn about the culture of local communities.
6. Share! Raise awareness among your family and friends about sustainable tourism.
